

Teladoc – Telemedicine

Talk to Doctors
Anytime You
Need Them

Teladoc® is a national network of U.S. board-certified doctors available on-demand 24/7/365 to diagnose, treat and prescribe medication, if necessary, for many of your medical issues.

Only available to those covered under one of the medical plans.

How to Access Teladoc

- » Visit: www.teladoc.com
- » Download the App
- » Call: 800.Teladoc
